

Homerton College Library

# Your Library Account

renewing & reserving books online

# Heritage

<http://heritage.homerton.cam.ac.uk/>

This is the catalogue for Homerton College Library. To find details of everything in the Library, and information on whether it is on loan, you need to use Heritage. You can also use Heritage to renew and reserve items from Homerton.

You have probably also been using other catalogues such as iDiscover, which is great for searching across all of the libraries in the University at once. However because we use a different Library Management System at Homerton, live information about your account and loans is not currently held anywhere other than Heritage.

---

## Renewing items

Items borrowed from Homerton College Library can be renewed online up to 5 times.

Simply log in at <http://heritage.homerton.cam.ac.uk/> with your reader code (the 5-digit code on the back of your University card beginning with V) and click on the 'Account' button at the top of the page. Here you can see everything you have out on loan, and renew items so long as they are not more than 2 days overdue and they have not been reserved by another reader.

You can also renew your items at the self-issue kiosk in the Library, or just ask a member of staff.

# Reserving items

If the item you need is on loan to another reader, you can reserve it through the Heritage catalogue. We will then send you an email notification when it is returned, and we will hold the item for you for 2 working days.

Log in with your reader code (the 5-digit code on the back of your University card) and search for the item you want to borrow. If the item is on loan you will see when it is due back. Click the reserve button near the bottom of the record:
